**Student Satisfaction Survey Annual Report
Academic Year 2017-18**

Our college collects student satisfaction survey by providing questionnaire to the final year students who are admitted as regular students. The students observe the questionnaire and answer accordingly about syllabus covered in the class i.e. 69% to 89% every year. The classes run in college according to the student satisfactory. Our college is single faculty college therefore the teachers and students relation is always domestic and satisfactorily. The communication between students and staff has been effective due to solve the problems of rural students.

The reaching faculty describe and approach of teaching is excellent as the 75% to 90% students give agreement to the said subject. Internal evaluation has been fair and systematic. The students are make alert about their assignments frequently. The college always encourage students in sports, cultural activities, social activities, N.S.S. activities and other personality development programmes regularly. The teachers of concerned departments use to tell an importance outcomes of syllabus and suggest every time to overcomes the problem. The teachers are always ready to solve queries and illustrate the matter with suitable examples.

The students have been encourage to visit historical places, students parliament and camps like maitri, Avahan, Yuvarang and many other improvement programme overall quality of teaching learning process in this college is very good.
