

### 7.1.2 The Institution has facilities and initiatives for

1. Alternate sources of energy and energy conservation measures
2. Management of the various types of degradable and non-degradable waste
3. Water conservation /Rain Water Harvesting
4. Green campus initiatives
5. Disabled-friendly, barrier free environment

#### Response:

##### 1. Alternate sources of energy and energy conservation measures

The institute take some of the initiative in view of the National mission on Clean and Green Environment followed by Swatch Bharat Abhiyan, Plastic ban, Dry and Wet waste garbage separation, Rain water harvesting & water use, E-waste and so on so forth. As an Institute we take steps in whatever small way we can to support the global cause by initiating few but concrete steps towards the goals

##### Solid waste management:

The dried foliage of the campus and garden, dried leaves and twigs of plants in N.S.S and college departments are disposed off in the special chamber provided. We dump solid waste materials in compost manure pit. . These wastes are kept in colored bins as per standard guidelines The generated Solid waste is daily dispatched to the solid waste dumping place With regard to green waste generated on campus, which includes grass clippings, leaf litter, and other landscaping related refuse is being treated for composts. The created compost used as a biofertilizer.

##### E-waste management:

All electronic gadgets are periodically repaired for efficient utilization and replaced under the buy back scheme of the outside agencies for recycling facility. Hence, minimum ewaste is generated in the campus. The remaining non-working computers, monitors and printers are discarded and scrapped on a systematic basis. If some parts are useful, in other systems they are kept aside for future use..

##### 2. Management of the various types of degradable and non-degradable waste

Pollution from waste is aesthetically unpleasing and can cause health problems. Solid waste can be categorized into three types: biodegradable, non-biodegradable and hazardous waste. Bio-degradable wastes include food wastes, canteen waste, wastes from toilets etc. Non-biodegradable wastes include plastic, tins and glass bottles etc. Hazardous waste is waste that is likely to be a threat to health or the environment like cleaning chemicals, acids and laboratory chemicals. The institute take some of the initiative in view of the National mission on Clean and Green Environment followed by Swatch Bharat Abhiyan, Plastic ban, Dry and Wet waste garbage separation, Rain water harvesting & water use, E-waste and so on so forth. As an Institute we take steps in whatever small way we can to support the global cause by initiating few but concrete steps towards the goals

### **Solid waste management:**

The dried foliage of the campus and garden, dried leaves and twigs of plants in Botany departments are disposed off in the special chamber provided. We dump solid waste materials in compost manure pit. . These wastes are kept in colored bins as per standard guidelines The generated Solid waste is daily dispatched to the solid waste collection vehicle of Grampanchayat. With regard to green waste generated on campus, which includes grass clippings, leaf litter, and other landscaping related refuse is being treated for composts. The created compost used as a biofertilizer.

### **E-waste management:**

All electronic gadgets are periodically repaired for efficient utilization and replaced under the buy back scheme of the outside agencies for recycling facility. Hence, minimum ewaste is generated in the campus. The remaining non-working computers, monitors and printers are discarded and scrapped on a systematic basis. If some parts are useful, in other systems they are kept aside for future use. . These wastes are kept in colored bins as per standard guidelines The college has made Egreement with Manas Computer Dhule (Private agency).All the e-waste produced in the college sent to recycling facility.

### **3. Water conservation**

1. Rain water harvesting
2. Borewell /Open well recharge
3. Construction of tanks and bunds
4. Maintenance of water bodies and distribution system in the campus

### **4. Green campus initiatives**

1. Restricted entry of automobiles
2. Use of Bicycles/ Battery powered vehicles
3. Ban on use of Plastic
4. landscaping with trees and plants
